ENVIRONMENTAL MANAGEMENT PRINCIPLES

Star-Mites Gym Sports Pty Ltd – SMCD Environmental Management is characterised by reliance on a number of principles. Adherence to these principles will ensure a good culture for environmental management will be encouraged. These principles make our Environmental Management plan an effective and reliable tool in providing information on which the club can act to improve its performance. These principles include:-

- Leading by example in responding to environmental issues
- Responding promptly to any concerns
- Trusting and empowering volunteers and paid staff to manage environment issues at all levels
- Education and training
- Ensuring the right values are instilled in young people
- Acknowledging, rewarding and publicising good environmental management
- Incorporate environmental better practice into our core business plans and management processes
- Develop a framework for reporting and reviewing our environmental objectives
- Ensure we work with our members staff volunteers and community to continually improve in environmental better practices
- Officially state that Star-Mites Gym Sports Pty Ltd facilities and immediate surrounds are smoke free areas

ROLES AND RESPONSIBILITIES

All employees, volunteers and members are responsible for better environmental practises. The Directors however, has the ultimate responsibility for successful environmental management with the Club Manager taking day-to-day responsibility for the process. This section specifies the responsibilities of all parties involved in environmental Management within the club:-

Directors

- Ensure that the context of this policy is communicated to all levels, via distribution of the Club's Environmental Management Policy Statement
- Ensure that appropriate training is provided so that environmental practise is actively maintained
- Report annually on the year's achievements and on any future environmental risks which may threaten any aspect of the club's business

Manager

- Ensure that all sections of the club have the opportunity to engage in effective environmental management
- Actively encourage reporting of environmental issues, real or potential, and ensure that appropriate action is taken with concern to the environment
- Ensure that when implementing environmental management actions, other related club policies are also adhered to
- Take day-to-day responsibility for environmental management within the club
- Provide appropriate induction on environmental issues management and all other associated policies to new members, staff and volunteers
- Alert the Directors of any new high-impact environmental risks, or any other matters requiring attention outside the usual process

Staff & Volunteers

- To achieve sound environmental practices across our entire operations
- Report environmental issues, real or potential, and ensure appropriate action is taken with concern to the environment

Everyone

Successful Environmental management also relies on the personal knowledge, perception and behaviour of all involved in the club and sport of gymnastics.

REVIEW & IMPLEMENTATION

Regular monitoring and review of better environmental practise plays an important part of the club's business.
